Dear June:

P
I can assure you that your conversation with me as well as your correspondence with me is kept in complete confidence. I can certainly appreciate your desire not to have your parents know the things that are going through your mind right now. I can also appreciate the fact that when they are informed about these things that you are the one to talk to them about it.

Y
I still want the opportunity for us to talk at length on some visit to Abilene. I do not believe that you will get a totally balanced view in the classes you are planning to attend. I can appreciate the assistance you got from Mr. Dentzer here in Abilene.

I will be praying for you in this very important time in your life. I am so thankful to God for the kind of comfort and direction that He gives my life through Christ that I want you to have the same awareness and conviction regarding Him. Let me know of any way I can help.

Your brother,

John Allen Chalk

Dear John Allen,

Thank you so much for answering my letter. I also hope I get a chance to talk to you again. I will be home this weekend, so perhaps we can talk then. They have not started this session of confirmation classes in Denton yet, so I still have not done anything definite. I still plan to attend though, unless you can offer me something which I feel would be better. As I told you before, I talked to Mr. Dentzer, the rector at Church of the Heavenly Rest while I was at home. My conversation with him and the books he gave me to read were most profitable I felt.

I appreciate your concern for my problems, and I will be anxious to talk with you again. I hope you have and will continue to have discretion concerning the confidence I have placed in you. My parents do not know anything concerning how I feel, but I feel it is my place to tell them if that time should come. Thank you again for your time and effort.

June
